

# Brick Multiplication 2x

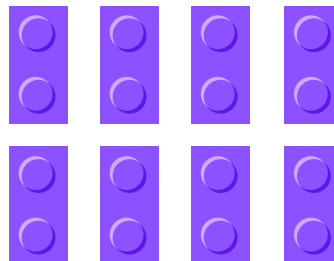

Teachers/Parents: Print this off and get students to do the worksheet. OR get out the real bricks and do the activity with them. **Students are adding the dots/studs on the brick**

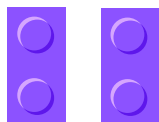

$$2 \times 1 = \underline{\quad}$$

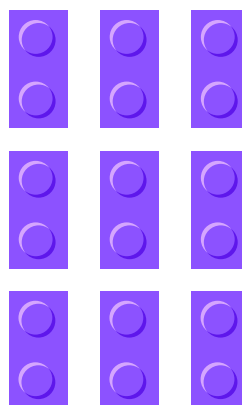

$$2 \times 8 = \underline{\quad}$$

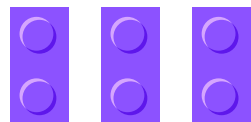

$$2 \times 2 = \underline{\quad}$$

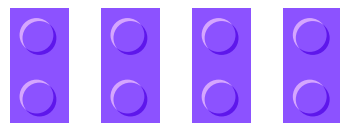

$$2 \times 9 = \underline{\quad}$$

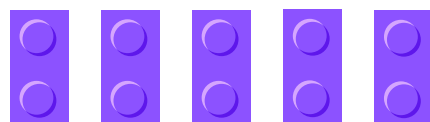

$$2 \times 3 = \underline{\quad}$$

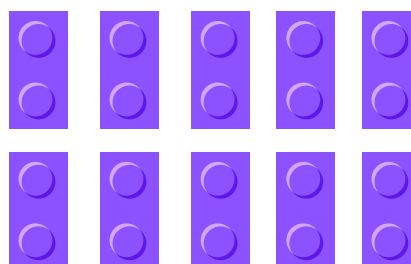

$$2 \times 4 = \underline{\quad}$$

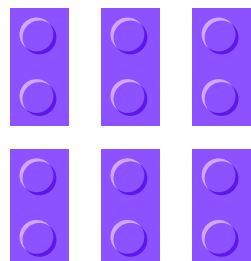

$$2 \times 5 = \underline{\quad}$$

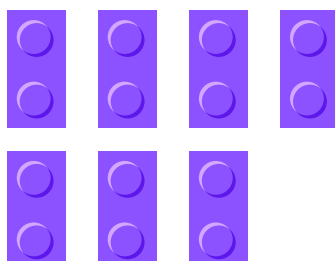

$$2 \times 10 = \underline{\quad}$$

$$2 \times 6 = \underline{\quad}$$

$$2 \times 7 = \underline{\quad}$$

$$1 \times 2 = \underline{\quad}$$

$$6 \times 2 = \underline{\quad}$$

$$2 \times 2 = \underline{\quad}$$

$$7 \times 2 = \underline{\quad}$$

$$3 \times 2 = \underline{\quad}$$

$$8 \times 2 = \underline{\quad}$$

$$4 \times 2 = \underline{\quad}$$

$$9 \times 2 = \underline{\quad}$$

$$5 \times 2 = \underline{\quad}$$

$$10 \times 2 = \underline{\quad}$$
